USER GUIDE

e-Biz with Advanced Container System

eASYCON

1. Freight Trace

Trace of freight route is available online.

1.1 Freight Trace

01 Cargo Tracking **02 Cargo Tracking History**

- Insert your B/L No., Container No. or Booking No.
- When you search by using the B/L No., insert the B/L No. without the front POBU
- Please check if your B/L No. is a STX PanOcean B/L No.

B/L No.	+add	<input type="text"/>	<input type="text"/>	<input type="text"/>
Container No.	+add	<input type="text"/>	<input type="text"/>	<input type="text"/>
Booking No.		<input type="text"/>	<input type="text"/>	<input type="text"/>

[Would you save your freight location search expenditure?](#)

1. Enter the B/L No., Container No., Booking No.
2. Click on '+add' to enter more than 3 values.
3. Click on 'search' to receive container trace results.
 - Saving the container location results allows trace without having to trace the container again.
4. Click on 'reset' to clear all numbers.
